

SERGATE

— FLEET HIRE —

CAPABILITY STATEMENT —

WHO ARE WE?

We created Sergate Fleet Hire to offer Hunter Valley locals the level of service they deserve. We are proudly a family-owned-and-operated business, and we are passionate about maintaining our reputation as trusted and reliable people to deal with.

– Elliot and Shannon

Sergate Fleet Hire services the mining, trade, agricultural, and civil sectors with long-term 4WD options and offers small vehicles to individuals with short-term requirements.

Elliot is a qualified high-voltage electrician and has a wealth of mining and trade knowledge. He has worked in some of the biggest pits in Australia, and some of the smallest, and understands the diversity of worksites and their specific requirements.

Shannon's background is in banking and financial planning. Her passion is helping individuals and local businesses succeed. She prides herself on exceptional customer service.

Shannon and Elliot's children remain a driving force for Sergate Fleet Hire. The chance to provide opportunities for them while giving back to the community is a huge motivating factor. It's why Sergate Fleet Hire sponsors local sporting teams and donates to various causes.

Sergate Fleet Hire believes leading by example is always the best policy. "Supporting local" where possible is a way of ensuring the area's economy prospers.

WHAT DO WE DO?

Sergate Fleet Hire is the light vehicle hire specialist. We supply modern, comfortable vehicles road-tested for safety and reliability. Our mine-specification standard vehicles ensure worksite compliance and are also suitable for use in the trade, civil, and agricultural industries.

SERVICING ALL OF NSW

Sergate Fleet Hire is a Hunter Valley-based operation with a fleet expanding throughout NSW.

Choose from a range of vehicles to suit your needs or have us tailor a package that meets specific requirements.

Offering long and short-term hire, rest assured Sergate Fleet Hire will have you in a safe and comfortable vehicle to get you to your destination.

WHY WORK WITH US?

Sergate Fleet Hire has an enviable reputation for friendly customer service, and we want to be the first choice for fleet hire. We know the need for fleet vehicles in the Hunter is at an all-time high. Reliable and safe vehicles are difficult to obtain.

We combine quality service with a flexible and competitive outlook. Booking is easy and we can customise to suit individual needs. Our fully maintained and reliable trade and mine-specification vehicles are ready to get your business moving in the right direction.

Hiring a vehicle rather than buying can be a tax-advantageous business strategy. Shannon recommends speaking to your accountant or tax agent. Customers can take advantage of long or short-term hire options and a fleet offering economic and efficient choices.

STANDARD INCLUSIONS FOR OUR MINE-SPECIFICATION VEHICLES INCLUDE:

- wheel nut indicators
- mine compliant minebar
- mine compliant first aid kit
- canvas seat covers
- mine flag
- light vehicle pre-start inspection book
- hi-vis reflective decal on all panels
- driving lights/light bar
- steel bull bar
- rubber floor mats
- battery isolator
- 3 x safety triangles
- analogue UHF
- hi-vis mine ID numbers
- wheel chocks & holders
- towbar
- reverse camera
- first aid kit
- 9kg fire extinguisher & mount

TESTIMONIALS

Sergate Fleet Hire provides the same level of service and response to the needs of any individual or business hiring a vehicle as any large-scale competitor in suburban areas. Here is what some of our clients have to say...

My husband and I were involved in a car accident on our way out to Orange. Our car sustained some serious damage and we needed a car ASAP. I rang Shannon from Sergate Fleet Hire and left a message and I received a return call within 30 minutes. By lunch time, Shannon and Elliot had our hire car, a Corolla Cross, out to us so we could continue on with our day. Nothing was a problem and their service was impeccable.

We're so lucky to have this wonderful business in our Upper Hunter community. 10/10 for everything.

- Selena P.
Gunnedah, NSW

Sergate Fleet Hire went above and beyond to meet our vehicle requirements. Shannon had no problem fitting the vehicles out to our needs.

Very easy to deal with, very friendly and a down to earth demeanour. Would definitely recommend Sergate for your fleet hire requirements.

- Many Fabrication & Engineering
Gunnedah NSW

As a new small business we approached Sergate in the need for a mine-spec vehicle to get onto a local mine site. The Sergate Fleet Hire team are very professional and easy to deal with and made sure that the vehicle met the site criteria.

They provided our business with a very reliable mine-spec Toyota Hilux that was in immaculate condition. They did a condition report with us before we took the vehicle, it was a very easy process. I would highly recommend this company. They are very professional and reliable.

- Shawn Kidd
Director, MIH Services And Labour Hire
Denman, NSW

From the moment we first spoke with Shannon regarding her fleet hire business, we have been consistently impressed and satisfied with her exceptional fleet management solutions. Her commitment to customer satisfaction has been unparalleled, and it's evident in every interaction we've had with her team. Sergate's fleet is impeccably maintained, modern, and diverse, and their vehicles offer a wide range of options to suit any need.

Especially at BRIKEN, we required mine compliant vehicles ready to drive onto the local mine sites and they have always had one ready to go when we needed it, even at short notice. What sets Sergate Fleet Hire apart is it go above and beyond to ensure that every aspect of your fleet hire experience is seamless and stress-free. If they don't have what you need, they will get it for you.

We highly recommend Sergate to anyone in need of reliable, professional, and top-tier fleet services. It truly are the gold standard in the local industry and proudly support other local business!

- Shannon & Elyse Foster
BRIKEN Group Services Pty Ltd
Muswellbrook NSW

IF YOU NEED TO A HIRE VEHICLE, THINK LOCAL, AND GIVE US A CALL.
