The Upper Hunter region's only locally
owned and operated independent fleet specialist

MINING | RENEWABLES | AGRICULTURE | INFRASTRUCTURE | DEFENCE | TRADES

SERGATE FLEET HIRE THE UPPER HUNTER'S INDEPENDENT FLEET HIRE SPECIALIST

Sergate Fleet Hire is a family-owned and operated local business, and the only independent fleet hire company based in the Upper Hunter, NSW. We provide comprehensively insured short- and long-term hire of light vehicles, available immediately or customised to your needs.

Our services include flexible delivery across the Hunter Valley, dedicated private fleet management, and scalable fleet solutions. We can tailor vehicle specifications and packages to suit a wide range of projects, including mining, renewables, agriculture, infrastructure, and defence.

Whether you need a single vehicle or a full project fleet, Sergate Fleet Hire delivers safe, reliable, locally managed solutions designed to meet your operational needs.

We created Sergate Fleet Hire to offer Hunter Valley locals the level of service they deserve. We are proudly a family-owned and operated business, and we are passionate about maintaining our reputation as trusted and reliable people to deal with.

– Elliot and Shannon

SERVICING NSW

Sergate Fleet Hire is a Hunter Valley-based operation with a fleet expanding throughout NSW.

Choose from a range of vehicles to suit your needs or have us tailor a package that meets specific requirements.

Offering long and short-term hire, rest assured, Sergate Fleet Hire will have you in a safe and comfortable vehicle to get you to your destination.

- Short-term or long-term hire arrangements available.
- Flexible terms. Efficient customer service. Experienced team of local vendors to assist in the event of emergency repairs.
- Can customise any vehicle to suit your needs.
- Perfect for project work where you don't wish to outlay the expense of purchasing a vehicle and spending thousands on job-specific components fit for purpose.
- Safe and reliable vehicles, keeping the wheels moving to ensure no downtime.
- Personalised fleet manager keeping track of scheduled maintenance and any reported incidents and repairs.
- Easy to use app to keep in touch with your fleet manager or a direct number to call if you wish to speak with someone directly.
- Only independent fleet hire company local to the Hunter Valley.
- Big company reliability and options, backed by small business values and service.
- No hidden costs. We are transparent on fees you will pay. Daily, weekly or monthly hire rates to suit your budgeting needs.

OUR FLEET & INDUSTRIES WE SERVICE

MINING | RENEWABLES | AGRICULTURE INFRASTRUCTURE | DEFENCE | TRADES

Sergate Fleet Hire provides reliable, modern, and comfortable vehicles for all project needs. Our fleet includes 4WDs, hybrids, SUVs, sedans, and hatches, all road-tested for safety and reliability.

Our vehicles are suitable for a wide range of industries including mining, renewables, infrastructure, civil, agricultural, equine, and defence. Toyota vehicles in our fleet are built to handle harsh conditions, and we maintain a standard mine-spec inclusions list for vehicles heading to mine sites. With years of mining and trade industry experience, we understand the standards required for site and safety compliance, ensuring your vehicles are site-ready.

We can tailor vehicle solutions to fit the specific needs of your project. This includes short-term hires for on-the-ground support during construction or long-term agreements for corporate and management teams.

We have the ability to provide trade-spec utes with components such as cargo nets,

safety tie-down straps and tool boxes fit for purpose. They allow safe and secure transport of equipment and tools while maintaining compliance with site safety requirements.

A bonus of hiring through Sergate is that our insurer knows you will likely be travelling on dirt/country roads, and our insurance covers you, while most others won't (or you'll pay extra).

We commit to attention to detail, well maintained vehicles and a fleet you can rely on, every time.

STANDARD INCLUSIONS FOR OUR MINE-SPECIFICATION VEHICLES INCLUDE:

- Wheel nut indicators
- Mine compliant minebar
- Mine compliant first aid kit
- Canvas seat covers
- Mine flag

- Driving lights/light bar
- Steel bull bar
- Rubber floor mats
- Battery isolator
- 3 x safety triangles
- Analogue UHF
- Hi-vis mine ID numbers
- Wheel chocks & holders
- Towbar
- Reverse camera
- 9kg fire extinguisher & mount
- Digital 2-way / IVMS as an option if required

IF YOU NEED TO HIRE A VEHICLE, THINK LOCAL, AND GIVE US A CALL.

Sergate Fleet Hire delivers high-quality vehicles to both individuals and businesses, combining the efficiency, reliability, and standards of a major fleet provider with the personalised service, responsiveness, and attention to detail of a small business.

From the moment we first spoke with Shannon regarding her fleet hire business, we have been consistently impressed and satisfied with her exceptional fleet management solutions. Shannon's commitment to customer satisfaction has been unparalleled, and it's evident in every interaction we've had with her team.

Sergate's fleet is impeccably maintained, modern, and diverse, offering a wide range of options to suit any need. Especially at BRIKEN, we required mine-compliant vehicles ready to drive onto the local mine sites, and they have always had one ready to go when we needed it, even at short notice. What sets Sergate Fleet Hire apart is their ability to go above and beyond to ensure every aspect of the fleet hire experience is seamless and stress-free. If they don't have what you need, they will arrange it for you. We highly recommend Sergate to anyone in need of reliable, professional, and top-tier fleet services. They really are the gold standard in the local industry and proudly support other local businesses.
